

Wells County Records Search

The County Recorder's Office also performs family history searches for land in Wells County, for those making a request by mail or e-mail. Searches are completed as we have time. If you are making a request, please provide as much information as possible including all names you want searched as well as any dates or legal descriptions you may have. You may obtain copies for any and all documents for a fee of \$1.00/page. Payment for copies must be received before the copies are mailed.
